Trust

Love.

Freedom.

Come. Fly with me.

Matthew Mills

Take my hand...

...and let me save you.

Maybe it'll help me get past the guilt...

Caitlin Chin

**Tonight will be
my night.**

**I've risked everything to
set it all up...**

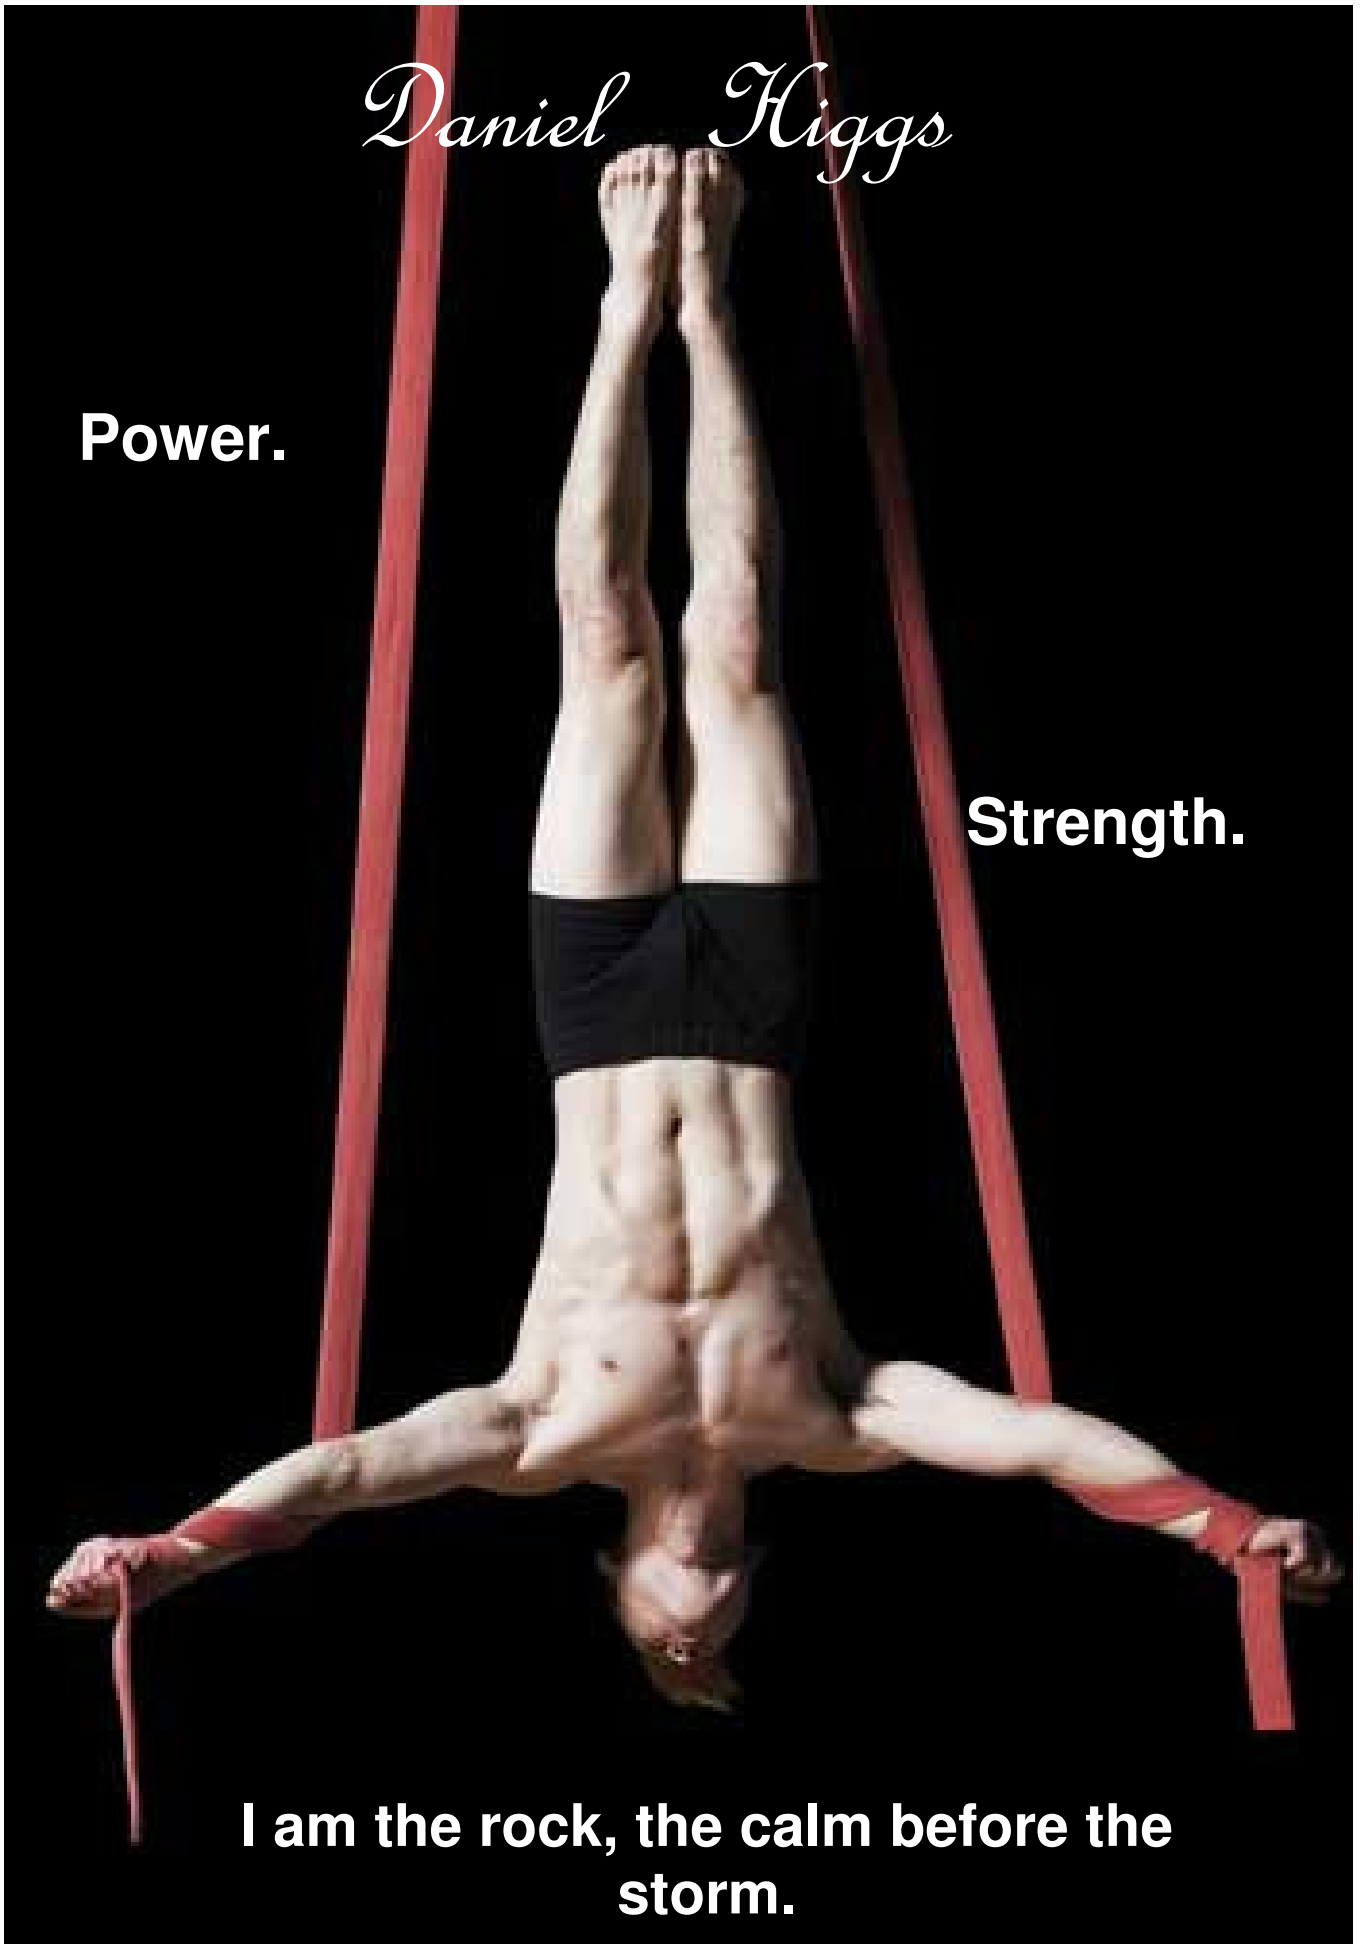

**...and now it's time to collect
my reward.**

Daniel Higgs

Power.

Strength.

**I am the rock, the calm before the
storm.**

A woman with dark, wavy hair is performing a circus act on a tightrope. She is wearing a gold and silver corset, a necklace, and striped stockings. She is holding the rope with both hands and has one leg raised. The background is black.

Ellen Telyanin

**I hold
you
captive
in my hands.**

**I have the power
to make you laugh,
cry, cheer and
despair.**

**I fly while you can
only watch, humbly,
below.**

**I have you in my thrall
and I shall not let you go.**

A low-liner, a person who performs stunts on a tightrope, is captured in mid-air, suspended by a rope. The performer is wearing a red shirt and white pants, and is holding onto the rope with both hands. The background is a clear blue sky with scattered white clouds. The performer is positioned in the center of the frame, with the rope extending diagonally from the bottom left towards the top right. The overall scene conveys a sense of height and risk.

Ethan Telyanin

**My place is in the sky,
inches away from glory
or disaster.**

**From up here,
only the big
things matter...**

**...and you don't want to make the wrong
choices.**

A woman with blonde hair tied in a bun with a blue feather accessory is performing aerial silk. She is wearing a blue, sequined, backless leotard and matching leggings. She is suspended in the air, holding onto a white silk rope with her right arm and using her left leg to grip the silk. The silk is draped around her, creating a large, flowing white canopy. The background is a bright, cloudy sky.

Gwen Palmer

**I could tell you a story to break your heart
but from where I dance the world which
holds so much fear cannot touch me,
cannot hurt me.**

**Free me, let me fly and I shall take you on
a journey through my hopes and
dreams...**

A man with a red headband, wearing a white t-shirt and red shorts, is captured in mid-air while performing a parkour move. He is jumping over a horizontal bar or ledge on a wall made of square, perforated metal tiles. His arms are outstretched, and his legs are in a dynamic pose. The background is dark, suggesting an indoor or nighttime setting.

Jeremy Telyanin

**Caught between the earth
and the sky I'm torn
in all directions.**

**My future is mine to choose
and I make its foundation
here and now.**

Do.Not.Interfere.

Belthany Summer

Achieve.

Improve.

Aspire.

**Take the dream when
opportunity knocks.**

**It was worth all you sacrificed
to get it.**

John Perrett

**Balance and stability are
admirable...**

**...but sometimes you just
need to risk it all...**

...even if it means someone else gets hurt.

Lily Gardner

Move too fast, you can fall.

**But move too slow and you may
lose everything.**

Luke Conolly

**Life. It's all about a good
tumble.**

**The hard part is
knowing how to stop.**

Maria Connolly

I believe in you.

I want the
best for you.

I will not fail
you again.

A man wearing a dark, ornate mask and a dark cape stands in the center of the frame. He is surrounded by a dense shower of sparks or rain falling from above. He has his hands clasped in front of his chest and his mouth is open as if shouting or crying. The background is dark, and the floor appears to be wet and reflective. The overall mood is dramatic and emotional.

Nigel Telyanin

**You look
down upon
me yet I am
the Weaver of
your story.**

**I am the glue
that binds this
universe.**

But without you I am nothing.

Ophelia Seymour

*There's a trick to
juggling so much at
one time – it's all about
control.*

Keep it balanced...

...smooth out the rough edges...

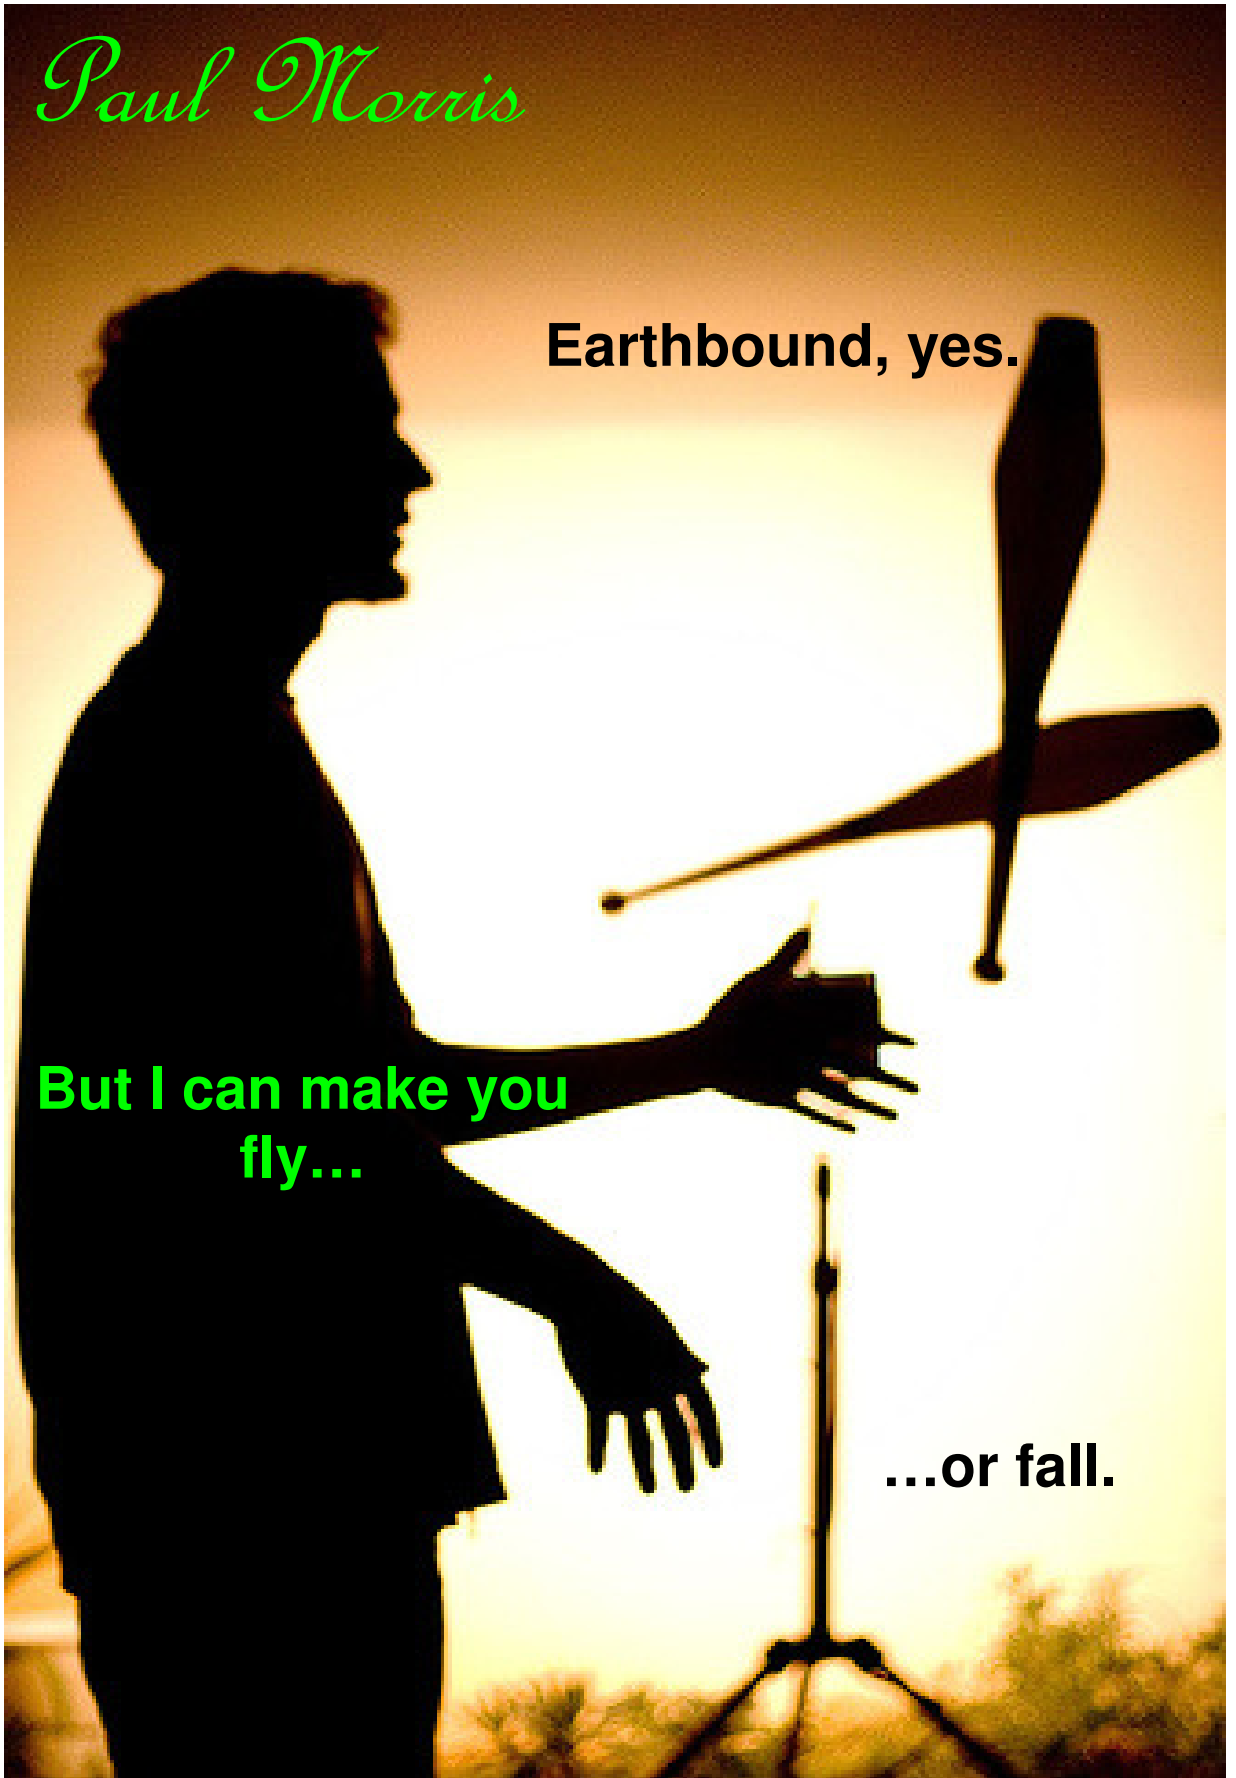

*... and everything will come
together as planned.*

Paul Morris

Earthbound, yes.

But I can make you
fly...

...or fall.

Hannah Riordan

**They say people are more
than the sum of their
parts...**

**...but that just doesn't
add up right.**

Dominic Richards

You smile at me...

...but you never see me.

I'm sorry. I only ever wanted you to see me.

Susan Michaels

*I have too
much to
lose.*

Don't force me to choose.

*I will not
run away.*

*She said I could
be a star...*
