House of Crap – Second hand goods for sale

 Terms of acceptance of goods for sale: List each item separately, even if there are multiples of the same thing. Tag each item with your initials, an item number, and a price. For example, Ryan Smith might tag items "RS1 - \$2", but Jane Ann Smith would use "JAS1 - \$5" because "JS" is a common initial. House of Crap will take 10% of the price of sold items as your donation to Phenomenon. Unsold items can be picked up on the final day of the con, and must be collected by 4.30 pm unless prior arrangements have been made. Uncollected items will be sold off at prizegiving for the best price we can get – which may be well below your asking price. Your offering of goods for sale indicates your acceptance of these terms.
